

# Extra support for your patients with type 1 diabetes

Free care, education & support program for adults living with T1D

*A 501(c)(3) nonprofit organization made possible by the Leona M. and Harry B. Helmsley Charitable Trust to improve the lives of people with T1D*

Throughout the **six-month, virtual program**, we serve as an **extension of a patient's existing care team** and keep their providers apprised of progress and refer back for in-person care.

**"By collaborating with Blue Circle Health, providers can enhance the quality of care and support for their T1D patients."**

**- MEGAN COX, RN, BSN, CDCES**  
Treasure Coast Community Health

**Refer a patient today!**
