

Extra support for your patients living with type 1 diabetes

Patient eligibility requirements:

- Adults 18+ dx with type 1 diabetes
- Lives in a state we operate in
- Speaks English or Spanish
- Ability to connect with us virtually
- Has a PCP/Endo or willing to be connected
- Not currently pregnant

Throughout the **free, 6-month, virtual program**, we serve as an **extension of a patient's existing care team** and keep their providers apprised of progress and refer back for in-person care.
